The Honorable Judge Catherine C. Blake,

 AT BALTIMORE
 CLERK U.S. DISTRICT COURT
 DISTRICT OF MARYLAND
 BY _____ DEPUTY

Your Honor I'm writing in reference to a Court Order authorized by you in reference to an Amended Judgement in a Criminal Case for the amount of \$ 20,000 & \$ 7,893.00. Judge Blake I ask you to rescind this order on the grounds that I was never sent any documents or legal paperwork through the U.S.A.O. nor was I ever notified or sent any documents by my trial lawyer on the restitution subject. Here again I was never offered a lawyer to represent my issues on restitution. 3 1/2 years after the fact I was called down to my unit team counselors office and pretty much forced to sign the document for restitution. Judge Blake I was denied any due process in this matter and can prove that NO notice advising me of my rights to argue this matter was/were ever provided. Again Judge Blake please rescind this order. Thank you for your time on this particular matter. Your Honor I challenge the U.S.A.O. and my trial lawyer to provide any evidence of notification or due process rights that should have been afforded to me on this issue.

Sincerely,
 Daniel Thomas Herst inmate #62926-037
